Everyone age 8 and over who wishes to enter the Terrain Park must watch the online video and complete and submit the multiple choice test. Children 7 and under are not permitted to enter the park without supervision of a parent, guardian, responsible adult or ski or snowboard instructor.

**There is no charge and the stickers must be renewed every year!**

**Play it safe when you use the park. Read up and GET SMART!**

## Make A Plan

- Every time you use freestyle terrain, make a plan for each feature you want to use.
- Your speed, approach and take off will directly affect your manoeuvre and landing.

## Look Before You Leap

- Before getting into freestyle terrain observe all signage and warnings.
- Scope around the jumps first, not over them.

- Use your first run as a warm up run, and to familiarize yourself with the terrain.
- Be aware that the features change constantly due to weather, usage, grooming and time of day.
- Do not jump blindly and use a spotter when necessary. Know your landings are clear and clear yourself out of the landing area.

## Easy Style It

- Know your limits and ski/ride within your ability level.
- Start small and work your way up.
- Inverted aerials not allowed in the Caledon Terrain Park.

## Respect Gets Respect

- From the lift line through the park.
- Respect the terrain and others.
- One person on a feature at a time.
- Wait your turn and call your start.
- Always clear the landing area quickly.
- Respect all signs and stay off closed terrain and features.

**Approved Helmets must always be worn in the Terrain Park.**
