The Caledon Kids Club has a strict policy for illness and cannot allow children ailing with colds, flues or infections to participate. A "wellness child check" will be completed daily by the staff and the Kids Club Supervisor will make any wellness decisions.

The Kid's Club will be sanitized frequently throughout the day, and fully at the end of each day.

A commercial grade air purifier, exclusive to the Kids Club, has been purchased and installed for an extra layer of protection to remove any airborne contaminants.
