

Ski Lift Mechanic – Caledon Ski Club

Caledon Ski Club is a private, not-for-profit ski club located in the Caledon Hills, 45 minutes north of Toronto. We are currently seeking a Licensed Ski Lift Mechanic (SLM-B) to join our Lift Maintenance team. Candidates with a Ski Lift Mechanic – Trainee (SLM-T) certification will also be considered.

This is a hands-on role requiring strong organizational skills, attention to detail, and a commitment to safe, reliable lift operation. The successful candidate will be part of a collaborative team environment focused on delivering an exceptional on-hill experience to our members.

Key Responsibilities:

- Conduct routine maintenance, inspections, and repairs of ski lifts and surface lifts in accordance with TSSA and manufacturer requirements
- Troubleshoot and resolve mechanical and electrical issues as they arise
- Maintain accurate maintenance logs and service records
- Participate in the development and execution of the Club's preventive maintenance program
- Respond promptly to lift issues during operating hours to minimize downtime
- Work collaboratively with other departments to ensure safe and efficient hill operations

Qualifications:

- Valid Ontario SLM-B License (SLM-Ts will be considered)
- Strong mechanical and electrical troubleshooting skills
- Excellent organizational and record-keeping abilities
- Ability to work outdoors in varying weather conditions
- Demonstrated commitment to safety and preventive maintenance practices
- Strong interpersonal and communication skills
- Ability to work weekends, holidays, and occasional evenings as required

Compensation & Benefits:

- Hourly wage: \$30 – \$40, based on experience and qualifications
- Optional RRSP matching
- Optional health benefits package

Caledon Ski Club offers a supportive and team-oriented environment, with opportunities to work alongside skilled professionals in a dynamic outdoor setting.
